

## About the MGF

### *Our Vision & Goals*

We will **deliver** golf and life skills education to Maine through **The First Tee of Maine** Program at programming locations throughout the State.

We will **introduce** the game to children in a familiar setting in partnership with elementary schools to provide **The First Tee's National School Program**.

We will **educate** junior golfers about the history and etiquette of the game & **certify** young golfers whose skills and knowledge deem them "course ready."

We will build a network of courses throughout Maine to provide **affordable access** for junior golfers through memberships and special junior golf fees.

We will provide new **opportunities** for children to participate in **mentoring** relationships with golfers of all ages.

We will **grow the game** by providing fun, supportive environments for girls through initiatives such as the **USGA/LPGA Girls Golf** and other female-focused programs.

We will **encourage and assist** Maine schools in the development and operation of **middle school golf teams**.

## MAINE GOLF Foundation

*Honoring, sustaining  
and growing golf  
in Maine*

Founding Partners of  
The First Tee of Maine

### *Our Mission:*

The Maine Golf Foundation exists to honor, sustain, and grow the game of golf in Maine and to promote the values of honesty, integrity and perseverance that the game teaches, with a focus on programs that build character in youth through golf.

**BECOME A PART OF  
OUR PLAN FOR THE  
FUTURE!!!**

# How you can make a difference...

## What is the Maine Golf Foundation?

The Maine Golf Foundation — an association of affiliated golf organizations governing all aspect of golf in Maine — is moving ahead with its plan to establish the Maine Golf House and Museum. The Golf House and Museum will be home to:

- The First Tee of Maine
- Three Amateur Golf Associations
- Museum of Maine Golf History honoring Maine's golf traditions
- Maine Golf Library
- The Maine Golf Course Superintendents Association
- The Maine Junior Golf Program
- Golf association Scholarship Funds

Each room and office of The Golf House is a naming opportunity, while the building itself can also be named with a contribution to the MGF.

## Honoring Opportunities

### US Flagpole Dedication

Cost of sponsorship: \$10,000

**SOLD!**

### Granite Entryway Benches

Cost of sponsorship: \$5,000 per bench

### Granite Paver Blocks

Cost of sponsorship: \$1,000 per block

### Concrete Pavers

Cost of sponsorship: \$ 175 per unit

*Volume special: Get together with your favorite golfing partners and buy four pavers for just \$550! Pavers will be placed together.*

## BECOME A GOLF HOUSE SUPPORTER!

### Buy a Green “Flag”

We will adorn our Education Center outer walls with a “Giving Green”. The green will have “holes” available for sponsorship.

Cost: \$50 per flag

### Especially for Juniors

Because a big part of what we do is for junior golfers, we wanted to give the opportunity for juniors to participate at a special rate. We will be developing a plaque for juniors only, to be displayed in the Education Center.

Cost: \$25 per nameplate
